4 State whether you believe the relationship of the applicant and his/her partner or fiancé(e) to be genuine and continuing, and give your reasons for your belief

I believe my Friend M M Rafsan Zameel and my sister Rehana Yesmin are serious about their relationship. They love and comitted each other a lot. I have invited them in many occassions at my place for dinner after her arrival in Sydney. My friend M M Rafsan Zameel bought a brand new car for her wife Rehana Yesmin as a surprised gift. She was very happy for that. We went to Canberra for flower festive together. They both looked very happy and successful in their relationship. My friend M M Rafsan Zameel drove her around the sydney to show the beauty of Australia. She was enjoying a lot. They both were comitted to start a new life in Sydney. I have noticed that they are both very caring for each other. I went with my friend M M Rafsan Zameel to buy a special diamond ear ring gift for his wife. She was very happy for that. We sometimes go out together with my family for dinner. I wish their success and good luck in every sphere of life.
